Before You Get Started

- Group Leaders/Chaperones who already have a My Disney Experience Account should create a new account specifically for their Disney Imagination Campus trip.
 - New accounts should be created with a unique email address.
 - Group email addresses can be created via a free email generator. It's best not to use personal email addresses if those same email addresses will be used for personal travel to the WDW Resort.
- Before linking tickets in the My Disney Experience App, assign each traveler in the group a ticket by writing their name on the back of the ticket.
 - Felt-tip permanent markers work best.
 - If you are adding name stickers to the cards, please place the stickers on the front, colored side of the card.
- Make sure you take a photo of the back of the ticket, with the ticket number visible, should the ticket be lost or stolen.
- Do not plan for more than 10 students on any one My Disney Experience account.
- Before linking tickets, be sure to create each of the 10 travelers

Step 1: Create a My Disney Experience Account

1. Go to www.disneyworld.com to create your account.
